

YOUR YOUNG PERSONS WELFARE AMBASSADOR

Name

Georgia Routledge

About me

Georgia has been playing tennis since the age of 6. She completed her LTA Assistant course in 2021 and is currently half way through her Level 2 qualification. Georgia was awarded to join the Young Persons Welfare Ambassador by the LTA and will be working closely with Rachel.

About the role

The Young Person's Welfare Ambassador works with your venue Welfare Officer and the LTA to promote key safeguarding and welfare messages. They may speak with you to gather your thoughts and ideas on how to make your venue a better place. They are not responsible for dealing with safeguarding concerns, so if you need to speak to someone about this, please contact your Welfare Officer or the LTA Safeguarding Team.
